Everyone:

It has been a pleasure working with you on this site. You have been a good mentor toward an understanding of the Superfund process. However, at this time, it is in the best interest of the TCEQ that I divest myself of further involvement in this site and turn the reigns over to the very capable hands of April Palmie. April's office phone number is 512.239.4152. I appreciate all of your help and especially your willingness to work with the TCEQ on issues we have raised for the site. I know that Vickie Reat, Linda Broach and Chuck Stone will continue to provide April the high level of competency and service that they have provided me, so the site should continue on its schedule without a delay due to this transfer in project management.

Sincerely,
Dani
